Blacklist Notice

Dear Amplify Community,

After careful consideration we have decided to push a blacklist on a user in our company.

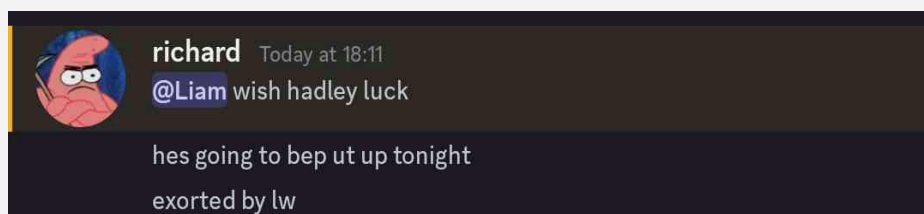

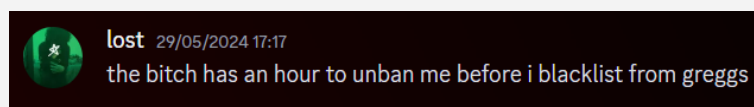

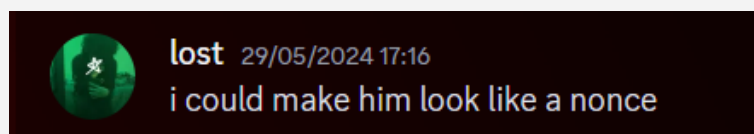

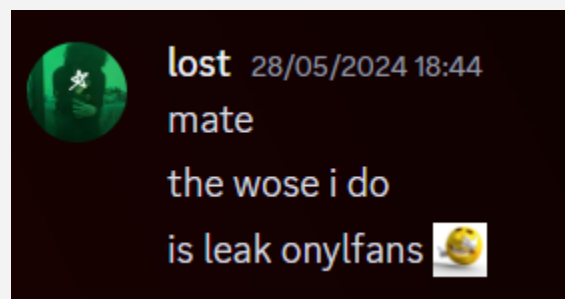

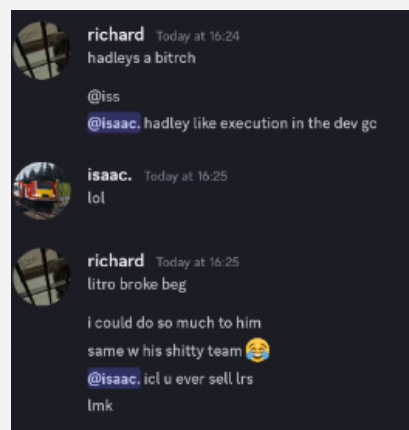

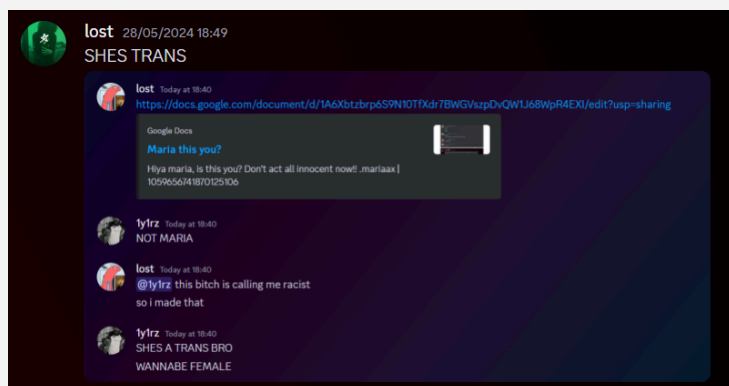

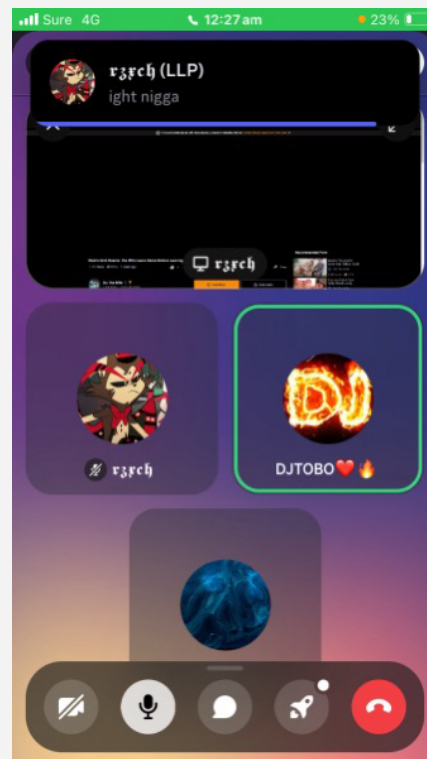

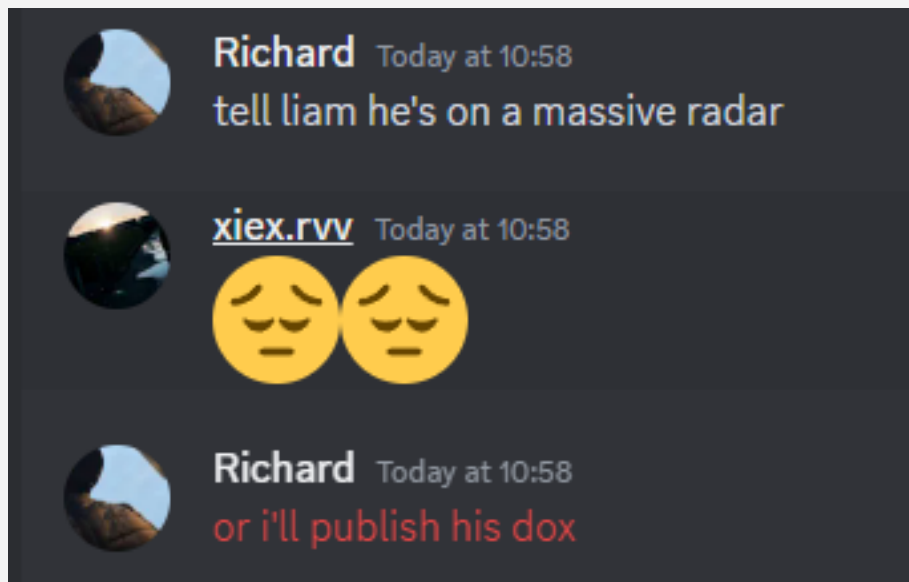

Info about user:

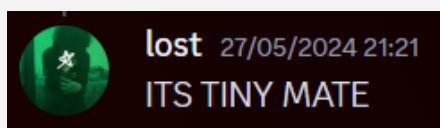

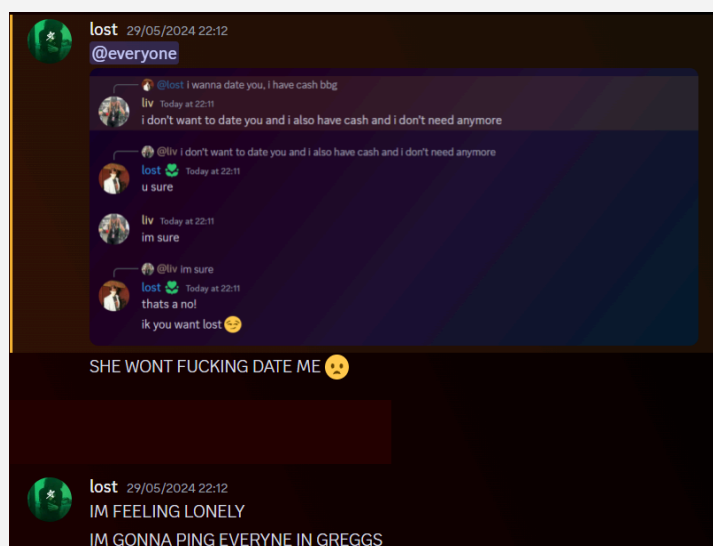

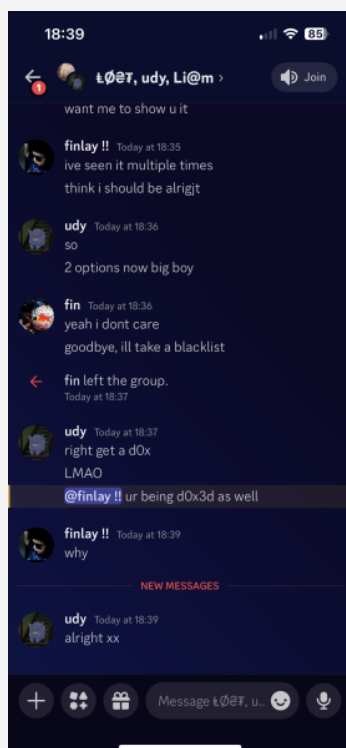

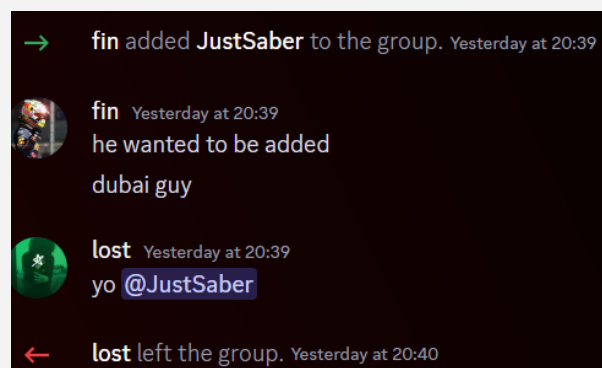

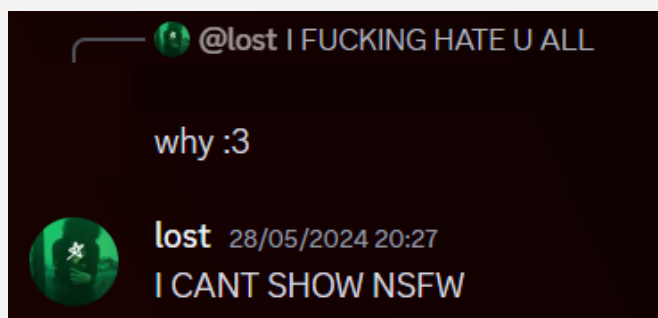

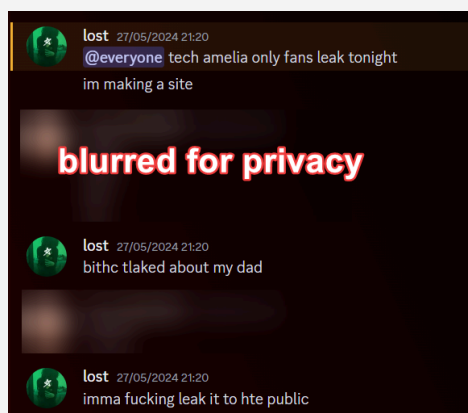

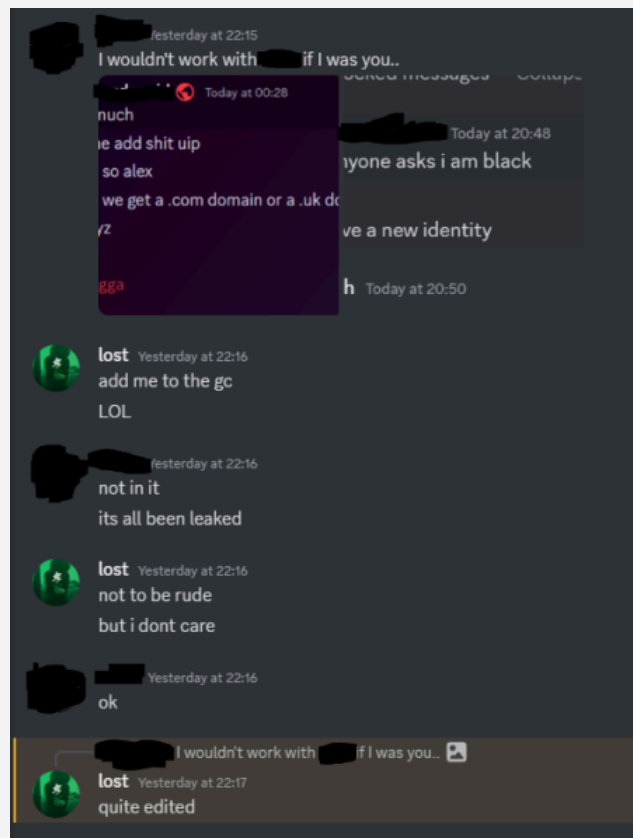

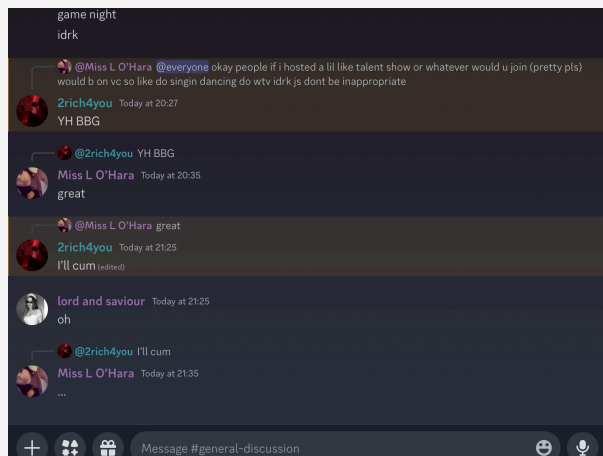

Blacklisted User Discord	richard.tk
Blacklisted User Discord ID	404203443717406732
Blacklisted User Discord Alt 1	givingbackshots
Blacklisted User Discord Alt 1 ID	650703493509939202
Blacklisted User Discord Alt 2	18kartgoldz
Blacklisted User Roblox	iostwordss
Blacklisted User Roblox ID	3929378306
Blacklisted User Roblox Alt	TruckerRichie07
Blacklisted User Roblox Alt ID	3211973474

Richard has been blacklisted for being narcissistic, racist, threatening to dox and being self centred when they got banned from our company as they were being under mining towards the company.

Alongside this, there are screenshots and some links shared below to back up these claims. Furthermore, Richard had threatened to make an allegation against a user to make them look “like a nonce.”

Images and links for supporting claims:

We hope to help you realise the true side of Richard and his demeanor, and we hope you can help us in this cause to provide evidence to authorities regarding the treats to dox people for malicious intent, and threatening to pose allegations against others of them being a “nonce”

Thanks,

Amplify Team
